

## Each Day a New Beginning

By Andrew Pell

Each day is a new beginning, a new opportunity.  
Full of abundant treasures if we can only see;  
Richness in choices surrounded in divine gifts.  
A fresh start that will give us a lift;  
Carpe Diem – Seize the day.  
Let the child in you come out to play.  
We all have forgotten how to have fun.  
Go and meditate, feel the warmth of the sun.  
We can't change the past.  
But what we now plan will last.  
Each day is a new beginning.  
It is also a new awakening.
