

## Enough

By Helen J. Dixon

Show me no fake smiles  
or tell me overt lies.  
No more false "Hellos"---  
this only leads to real "Goodbyes".

Is there any difference  
between your loving gaze and hateful glare?  
Your "good faith" hides "evil motives";  
your "rapt attention" is a vacant stare.

So if you're at all uncertain  
suggest no more "fresh starts"  
which begin with perfect promises  
but simply end with broken hearts.
