

## Live Wire

By Marla J. Deaton

If I were only grounded,  
I can handle the heavy volts.  
If I wasn't such a live wire,  
I could face all of life's jolts.

Oh Lord, I need You to ground me,  
Let Your love surround me.  
I can face a hundred thousand BTU's,  
When I know that I have You.

The End
