

Musical Thanksgiving

By Robin Lipinski

Many give thanks for their blessings;
A family,
A job,
Health,
Wealth,
Even a god, gods, or God.

Well and good to be thankful for what one holds.

Given an ear to hear, a heart to beat, fingers to snap while toes to tap,
Music,
Aaaaah...sweet music, something to truly be thankful for!

AC/DC, Rob Zombie, Korn, to some sounding like a disaster, to me are the best life has to offer.
Frank Wright, Snoop Dog, Gaga, well, their alright.
Mormon Tabernacle Choir, Cher, Willie Nelson, and more,
All bring me great pleasure, to listen, sing and soak in musical poetry.

So it is with life, those simple pleasures,
Alone or with family,
Listening to the notes.

The End
