

Ignorance Is No Excuse

By Robin Lipinski

A little,
Thanks though, why do you
Ask?

Pshaw! Ignorance is no excuse, you knew better than ask.

Ok, no, but, (sigh) you win.

Vision or not, you're blind as you have never died.

Not in the sense of want or need,

I died, am dead, will die,
Again
Again
Again
Again...

I come to visit myself when I was alive,
This is one of those moments.
