

# Mighty Gun, Mighty Pen

(By Running Low on Ammo)

**By Robin B Lipinski**

Boom!

Boom!

Sounds splintering the air while death bells toll, metal shell fragments pulling the long history of war's handle.

\*\*\*

Generals spell their soldiers doom, signing signature with bloodied quill.

"Charge you hounds of Hell, do you want to live forever?"

Reams of paper to pay, to send, to kill those who follow.

\*\*\*

Weapons of war.

Weapons of words.

Bullets or pen, brothers, sisters, enemy, friend.

\*\*\*

Some say the pen is mightier than the sword.

Others say my army will make slaves of them.

I laugh, I chuckle, I make no pretense as I truly know why.

\*\*\*

The mind...

The mind is the power over the sword or the pen.

The mind you possess is what can take possession over men.
