

""P""
By Robin Lipinski

What does a human need?
Eliminate the obvious,
Air,
Food,
Water,
Coolness or heat.

""

Breeze gentle to me now,
Falling sweet upon my lips,
Tasting womanly nectar.
Your heat of desire struggles,
Against my heart of coolness,
It will never melt in love to you.""

Without the obvious we have:
Physical,
Physiology,
Psychology,
Philosophy,

""

Perchance people peer perilously,
Phishing, phore, passion, pleasing?
Putting, puzzled, properly perplexed,
Public, privy, preterit; prattle?""

So what does a human need?

A poet,
Poetry,

Yes,
A lot of p...
