

# Windy!

By Robin Lipinski

Must try to hold on  
Felt the house creaking,  
Shaking great expectations away,  
Revealing the foundation of nothing.

Calm days secure in knowing everything,  
Storm winds of night blow it all away.

Words of advice for those still clinging.  
Release,  
Don't fight it,  
Be F R E E !

Weee...Heee.....

The End
