

Working Late

By Robin Lipinski

Work' in late,
Some say fate,
Scream' in,
Bang'in,
Wonder'in if i could be great.

Wait'in for the band,
To really understand,
How music can change the world.

Stale birthday cake,
Boss in a hateful state,
Morn'ins come'in,
There's coffee to make,
And more news of 'in hate.

The End
