

Spiritual Love

By Sabrina M. Cummings

Runs deep
Beyond human & earthly realms
A sense of awareness

Longing for another
Without touching
Speaking or seeing each other

Feeling their needs
Whether happy or sad

You react
You respond
Supernatural?

Spiritual is this bond
A love next to God
That none can compare

Knowing worldly love
Not enough

The spirit of love is God
No fears no cares

Love in spirit
It lasts for eternity

God first love us
This love is forever
PEACE
