

The Master's Vessel

By Sabrina M. Cummings

Amazing is
All I can say.
No one on earth,
can dominate.
Your wisdom & peace,
they comfort me.
When I'm down,
You're always around.
Beloved of God,
Never sparing the rod.
Teaching lessons of life,
on earth,
to survive.
If truth be told,
Your love is most precious,
more precious than gold.

God's grace is sufficient.
He put you in our lives.
Your Amazing
Amazing Grace
God provides
