

Walking

By Sabrina M. Cummings

As I walk
The world is beautiful all around
All the beauty beyond the bad
But its there.
YES
Walking
Look beyond the surface as God did when he looked at you.
The crimes and death , hurting, all the pain.
Is it here or is it there or is it everywhere.
YES
Walking
All the wrongs in this world.
Try to make things right
It goes on and on; is there no end
YES
Walking
Will there ever be peace on earth goodwill toward all
Can it happen?
YES!
Walking
