

Where Are You Going?

By Sabrina M Cummings

Is it work or to the club
Or just to get a back rub
WHERE ARE YOU GOING?

To play or just to get in somebody's way
Tell me.
WHERE ARE YOU GOING?

To the store
You know-at-this time, they don't have what you need there anymore.
WHERE ARE YOU GOING?

Do you know?
You better find out
Time maybe drawing near, it's running down.
WHERE ARE YOU GOING?

I'm goin home,
Not here,
Where people roam, person to person, place to place
Trying to find where they belong,
I'm gettin out of this rat race.
I'm goin
Home
With GOD
A peaceful place

The End
